

ABOUT CURCHIN

Celebrating over 50 years

in Monmouth County, New Jersey, The Curchin Group, LLC is a certified public accounting firm that helps small to mid-sized businesses and individuals reach their financial goals. The firm is dedicated to giving solid accounting and financial advice, sustaining long-term relationships with its clients and employees and giving back to the surrounding community.

We understand that business owners and executives wear many hats, including being the CFO, Controller and Bookkeeper. Outsourcing these services can be a cost-effective way to keep accurate books, gain valuable insight into your company's finances, and plan in advance for tax filings and business decisions.

small businesses
forward.

Outsourced Accounting Solutions

You want to build your business. We have the right tools and people to help. When you outsource your accounting needs to Curchin, you are assured a virtual accounting department that works as part of your team to deliver accurate and up-to-date financial information on a regular basis.

What We Do

Our team can help manage the financial function for your company. It is a cost-effective way to keep accurate records, gain valuable insight into your company's finances, plan in advance for tax filings and making timely business decisions; freeing you up to concentrate on the business at hand.

What Makes Us Better

It is our business to understand and deliver financial information to you in a way that matches the needs of your personal and business interests. From developing policies and procedures that streamline your accounting process to increasing the overall efficiency of your business operations, you can count on us to think and act like a member of your team.

The Curchin Team will work with you to identify your needs and develop a customized plan for your business from our array of services:

Bookkeeping:

- Computerized general ledger set-up
- Cash receipt / disbursement recording
- Bank reconciliations
- Accounts receivable
- Accounts payable
- Payroll / sales tax

Accounting:

- Financial statement preparation
- Fixed asset tracking / depreciation
- Budgeting
- Controller operations
- Tax planning and return preparation

Business Advisory:

- Employee benefits
- Retirement plan implementation
- Insurance
- Bank financing
- Buy / sell agreements
